

# Fair Oaks EcoHousing

A Family-Friendly Green Neighborhood

- **A pedestrian-friendly village** for people of all ages, where neighbors know and care about each other. Young folks have mentors, older folks have support.
- **Excellent location:** Close to the American River Parkway, Fair Oaks Village, Bannister Park, Sacramento Waldorf School, and Rudolf Steiner College.
- **An environmentally-friendly neighborhood** with energy-efficient homes, generous open space, fruit trees, organic gardens, and a centrally-located clubhouse.
- **30 townhomes and flats.** Home sizes range from two to four bedrooms.
- **Join us** on one of our monthly site tours or potlucks.
